

## ELECTRONIC INFORMATION DISCLOSURE STATEMENT

Electronic Version v18

Stylesheet Version v18.0

Title of Invention	APPARATUS AND METHOD FOR DISPENSING FLUIDS INTO AN AIR INTAKE																																																																														
Application Number:	10/666578 																																																																														
Confirmation Number:	9167																																																																														
First Named Applicant:	Adam Awad																																																																														
Attorney Docket Number:	Awad.A-08																																																																														
Art Unit:	3747																																																																														
Search string:	( RE16425 or 1565778 or 3557763 or 4732329 or 5097806 or 5257604 or 5727514 or 5826602 or 5970994 or 6073638 or 6178977 or 6530392 or 20030015554 ).pn.																																																																														
<p><u>Certification:</u> This Information Disclosure Statement was submitted under the following conditions, which satisfies the requirement under 37 CFR 1.97(e). The filer certified:</p> <p>That no item of information contained in the information disclosure statement was cited in a communication from a foreign patent office in a counterpart foreign application, and, to the knowledge of the person signing the certification after making reasonable inquiry, no item of information contained in the information disclosure statement was known to any individual designated in 37 CFR 1.56(c) more than three months prior to the filing of the information disclosure statement.</p>
